

Information resources: Recognition and diagnosis

→ Click the titles below to view the resources

For health and social care professionals:

- **MND - a guide for GPs and primary care teams** (*A5 booklet*)
- **Multidisciplinary working for MND** (*A5 booklet*)
- **Red Flag Diagnosis Tool** (*A4 reference card*)
Designed to improve timely referrals to neurology and therefore speed up the time to accurate diagnosis.

For people with MND:

- **How to find out more** (*tri-fold leaflet*)
Provides very basic facts about MND and how to find out more from the MND Association.
- **What is MND?** (*animated film*)
Our short animation about the disease, featured on a web page with other basic facts. Visit <https://bit.ly/what-is-mnd>
- **An introduction to MND** (*A5 booklet*)
Provides a short overview of MND. Also available in audio.
- **An easy read guide to MND** (*A4 booklet*)
For people with reading difficulties or learning disabilities and MND.
