

Speaker biography

Emma Swingwood

Respiratory pathway lead physiotherapist - University Hospitals Bristol and Weston NHS Foundation Trust

Emma Swingwood is a physiotherapist working at an acute trust in the South West of England. She also works as the chair of the Association of Chartered Physiotherapists in Respiratory Care.

In addition, Emma is a visiting lecturer in physiotherapy at the University of the West of England and a teaching fellow in postgraduate advanced cardiorespiratory physiotherapy.

Emma has been working with patients with COVID-19 since the start of the outbreak. At work she helps assess what kind of ventilation patients need, weans them off ventilation, and helps get them moving again.
