

# The Difference

you could make

**£10**

provides an information pack for a newly diagnosed person with MND, so they know what to expect and how to access support

**£600**

funds a seat riser, allowing someone with MND to raise their wheelchair so that they can reach shelves and talk to someone at eye level

**£27**

funds an MND Connect helpline advisor for one hour, allowing them to provide information and support for anyone affected by MND

**£750**

helps to fund a wheelchair ramp, allowing someone with MND to continue to enjoy their garden and access the local community

**£75**

funds an MND expert researcher for half a day, helping us to better understand the disease

**£1,000**

will pay for detailed analysis of the DNA of someone with MND, to support our research

**£160**

will buy a specialist communication app enabling someone who has lost the ability to speak to continue to communicate with others

**£2,250**

provides a text to speech device, to give someone with MND the ability to continue to communicate with their loved ones

**£200**

provides 40 copies of our guide for young people who are affected by MND: So what is MND anyway?

**£4,000**

funds a person with MND to participate in a clinical trial for a year, bringing us closer to a cure

Every donation makes a difference to a person living with MND. We ensure that every pound we receive is spent carefully so that people affected by MND get the support they need, both now and in the future
