Lauryn Campbell

Orthotist / Prosthetist

Lauryn is an Orthotist working at Addenbrookes Hospital and UCLH.

Lauryn qualified as an Orthotist / Prosthetist in 2021. Lauryn is involved in all aspects of orthotic MND care including lower limb, upper limb and head/neck. She has a particular interest in head drop and the various types of collars to address this including using scanning technology to produce 3d printed options.

Archie Veale

Orthotist/Prosthetist

Carlisle Cumbria NHS Clinic
