

Expert biography

Artika Datta

Advanced Specialist Dietitian in MND and Home Enteral Feeding

Cambridge University Hospital

Artika Datta is an experienced Specialist Dietitian at Cambridge University Hospitals and leads the Motor Neurone Disease and Home Enteral Nutrition services. She has a particular interest in Palliative care and is actively involved in this field representing her Department as a palliative care champion. As a Trustee and volunteer of Rama Foundation, a UK based sustainable development charity, Artika is actively involved in leading teams of allied health professionals from CUH to undertake nutrition related projects in India. These projects focus on the assessment and improvement of nutritional status of people from vulnerable communities.
