

Expert biography

Liz Rogers

Clinical Specialist Occupational Therapist in MND

University Hospitals of Derby and Burton NHS
Foundation Trust

Liz qualified with an MSc in Occupational Therapy from the University of Derby in 2013.

Liz has worked across a range of specialities, including Trauma and Orthopaedics, Respiratory Medicine, Learning Disabilities, Stroke and Neurological Outpatients.

Liz started working as a Clinical Specialist Occupational Therapist for Motor Neurone Disease with the Derby MND Care Centre at UHDB in 2024. This is a role that has been funded by the MND Association.
